**ALL PLAYERS THAT WISH TO TRIAL FOR REPRESENTATIVE TEAMS
MUST BE REGISTERED (WITH CLUB/SCHOOL) PRIOR TO TRIALS**

Any players not able to attend the trials are asked to contact the Manager of each team to express interest and discuss possible alternatives. The trials will be a mix of skills, drills and games and will be undertaken over a number of sessions as listed. Training squads will be announced for further closed sessions and trials with the final teams of 23 announced in early May for the NSW State Championships on the June long weekend.

It should be noted that while not mandatory to attend the trials it is strongly encouraged. Coaches have the discretion to invite or exclude any player from the training squads and final teams regardless if they have attended trials. A selection policy is in place which includes independent selectors to advise the selection of teams.

Managers will advise of any changes to the programs. Please complete and return a Player information form to the manager of the team to express interest in the trials for selection.
