

Senior Academic Handbook 2019

The maximum number of standard units that a course area can contribute to the ACT Senior Secondary Certificate is 8 standard units.

Tertiary students must select six subjects for study in Year 11.

It is the policy of this College that all students in Year 11 must undertake a minor course in Religious Studies. The BSSS mandates that all students must study English. Some universities may deem Mathematics compulsory for entry. Students are free to choose any of the other subjects offered.

BSSS CERTIFICATES

ACT Senior Secondary Certificate:

The ACT Senior Secondary Certificate is issued at the end of Year 12 to all students who have completed an approved program of studies in Years 11 and 12 and have passed their courses without V Grading. The certificate records all units grouped into courses with a grade A – E for each unit.

An ACT Senior Secondary Certificate based on a standard package will be awarded on completion of a program approved by the College as having provided a coherent pattern of study, and includes the equivalent of at least 17 standard units from Accredited, Tertiary, Vocational, Modified and Registered units/courses in a period not exceeding five years. Units must be packaged to form at least 4 minor A, T or M courses.

Tertiary Entrance Statement

The Tertiary Entrance Statement (TES) is produced for students who qualify for the Australian Tertiary Admissions Rank (ATAR). It reports information useful for tertiary admission. A TES allows entry to university or equivalent provided an adequate ATAR is achieved.

Vocational Certificates

Vocational Certificates bear the Nationally Recognised Training logo and are achieved by students meeting the requirements as described in the relevant vocational course.

Increasingly, a greater proportion of students from Years 11 and 12 will do further studies at Canberra Institute of Technology (CIT) or enter the workforce. The College has a wide range of Accredited and Vocational courses that meet these student needs. These courses are detailed throughout the handbook.
