ACT Government
Transport Canberra and City Services

14 March 2019

Dear Mr Zavone,

As you will be aware, the ACT Government is introducing a new integrated public transport network including bus and light rail services for Canberra for the beginning of Term 2, 2019.

The Government has recently released timetables for the new network, which will commence on **Monday 29 April 2019**.

I would encourage all schools, parents and students to find out how they can use the new services from Term 2 by:

- Planning their journey to and from school in the improved Transport Canberra journey planner at www.transport.act.gov.au, which includes dedicated school services for the first time; or
- Using the school pack that shows all the different services available for your school at www.transport.act.gov.au/getting-around/new-network/schools/schools-a-z-listing.

You can also find other information about the changes at www.transport.act.gov.au to help parents and students understand how to use the new integrated public transport network, including information about student safety, fares and ticketing and maps.

For more information about the changes or assistance in explaining the changes to your community, please contact Kylie Smith, Transport Canberra School and Community Liaison Manager, at kyliea.smith@act.gov.au.

Yours Sincerely,

Judith Sturman

Executive Group Manager, Public Transport Operations
