

YEAR 9 AND 10, 2020 ELECTIVE SELECTIONS

Information and selection

Students will undertake the selection of their 2020 electives during their Year Assembly on 4 September and will print or email these for parental review. Changes can be made following this through the Teaching and Learning Office

Selection occurs as outlined in this summary document. It is strongly recommended to consider reserve electives if first preferences are unavailable.

Specific details regarding the available electives can be located on the right hand side of this flyer with further information located in Courses Guides obtained on the College website under High School in the Academic tab.
