A SPIRITUALITY FOR EVERY DAY OF MARRIAGE

THE FIVE LOVE LANGUAGES

CALLED TO BEHOLD

SUNDAY 14TH JUNE, 11.45AM

Building on an insight in **St. John Paul II's Theology of the Body**, this talk explores the idea that the wedding vows which unite a couple function as a prophecy of their whole life together, embracing all the ways in which their commitment to love is 'spoken' across the years of their marriage. This talk will draw on theology, spirituality, and **John & Claire's** own lived experience of 35 years of marriage.

SUNDAY 21ST JUNE, 11.45AM

In his book **The Five Love Languages** Dr Gary Chapman outlines five main ways spouses express and experience love. Learning to speak your spouse's primary love language equips you to help keep their 'love tank' full. **Helena & Richard** will share how this knowledge has proved helpful

SUNDAY 28TH JUNE, 11.45AM

Reflecting on the call to become "one body" **Derek and Karen** have developed a marriage enrichment program for couples who want to experience, in new and deeper ways, the joys of becoming one body in faith. In this talk they will elaborate on what they call 'a **nuptial spirituality of beholding**' - a unique way of encountering Christ for married couples
