## Br Matt McKeon Faith and Service Awards

**Br. Matt McKeon**

**Blessed Edmund Rice**

Br Matt McKeon is a Christian Brother who was an integral part of our St Edmund's College community for 20 years. He was the spiritual heart and living touchstone of our Edmund Rice tradition. The Br Matt McKeon Faith and Service awards are named in his honour and are awarded to those staff, students and old boys who have made a significant contribution to St Edmund's College and the wider community in service to others. These awards are an integral part of our Founders day celebrations and provide an example for all of us to follow, in living out the charism of Blessed Edmund Rice and being Edmund People in authentic service.

The Founders Day 'Faith and Service' Awards are for those students, staff and old boys who have made an outstanding achievement to St Edmund's College or the wider community in the area of Mission. The Awards are seen as a part of the celebration of the day and provide encouragement to the students in the living out of the Edmund Rice charism through active participation in faith opportunities and service of others.

**The criteria for a student, teacher or an Old Boy to receive this award is:**

- An inspirational role model in faith and service to others.
- Promoting the Catholic Faith and the Edmund Rice Charism.
- Active participation in the spiritual and liturgical life of the School.
- Demonstrated leadership and contribution in mission and service initiatives within the College or wider community.

With the application, please provide the nominees full name, relation to the College, time engaged with service and a statement of the service that they have engaged in.

**Please send nominations to Michael Monagle at the College on [mmonagle@stedmunds.act.edu.au](mailto:mmonagle@stedmunds.act.edu.au) by the 23rd of April COB.**

Award winners will be presented at our Founder's Day Mass on the 5th of May.
