# UNIVERSAL CHURCH

## *Local Celebration*

### Experience Different Cultures (Ps. No Passport Required)

Be led in worship by the faith communities of our Archdiocese for the celebration of Christ the King. If you have the travel bug, but want to miss out on the quarantine, this is the perfect opportunity for you!

### World Youth Day

Pope Francis has moved the annual celebration of **World Youth Day** in local Dioceses to the Feast of Christ the King. So come join our Archdiocese as we the Universal Church celebrate youth, young adults and families.

### Launch of the Advent Way of the Star

**Christ the King** will launch a new Advent Program called **Christmas: Way of the Star** across our Archdiocese.

Sharing reflections on encounters leading up to the birth of Jesus - this is a great resource to continue to celebrate Christ the King in this Advent season.
