# Youth InterACT scholarships

Youth InterACT Scholarships are awarded to young Canberrans  
aged 12 to 25.

Youth InterACT Scholarships provide funding of up to \$500 FOR INDIVIDUALS and up to \$1,500 FOR GROUPS of young people (between the ages of 12-25 years) to attend learning, sporting, personal and career development opportunities. This may include online mental health, self-improvement programs or skills-based learning courses and training that enhance personal or career development.

A scholarship may also help cover resources, equipment, and materials to stay engaged in learning, employment and personal development.

Youth InterACT Scholarships are based on encouraging young people to enhance their professional and personal development through participation in various activities or events. This is central to the way in which Youth InterACT Scholarships are administered.

Youth InterACT Scholarships will be awarded to young people who have a genuine ability and determination, but without financial assistance would struggle to attend their event or activity.
