

St Edmund's College SPORTS ACADEMY

University courses for which students will be eligible through the St Edmund's Sports Academy are:

- MGB108 Bachelor of Business (Sport Management)
- HLB101 Bachelor of Health Science (Human Movement)
- 274JA Bachelor of Sport and Exercise Science
- 321JA Bachelor of Primary Education
- 330JA.5 Bachelor of Secondary Education (Health and Physical Education)

Our students will also engage with students and staff from the University in a number of fields to expand areas of knowledge and practice and to develop and refine skills. This will take place through workshops, practical activities, school visits, coaching and mentoring.

The St Edmund's College Sports Academy provides an opportunity for our students to consider a sports-focused pathway that offers direct, non-ATAR entry to a number of undergraduate courses at the University of Canberra. This means that a tertiary pathway is now open to students who may not have necessarily considered a tertiary education, or who were wanting a more tailored, individual approach to the tertiary pathway.

The Sports Academy is a package of subjects, with certain majors and minors. Although it is a sports-focused package of subjects, students will also have the flexibility to include a number of subjects from other areas of interest to make up a truly individual, tailored learning experience.

A major in:	At least a minor in:
Maths (T) and either Exercise Science (T or A) or Human Biology (T or A) or Chemistry (T) (*more than one of these can be chosen)	Sports Development (A) Fitness in Sport (E)
Students are free to then choose a range of other subjects Students need to maintain a C grade average in these subjects	

The SEC Sports Academy is proudly a part of the

Please contact Mr Joel Richardson at the College should you wish to learn more about our Sports Academy Program or other possible University courses that are not listed in this document.
