

"One for One"

ONE EDDIES BOY FOR ONE YEAR

**ST EDMUND'S
COLLEGE**
CANBERRA · EST 1954

This appeal is directed towards our old boys network to support the work of the St Edmund's College Foundation.

The St Edmund's College Foundation, inspired by the charism of Edmund Rice, was established to give financial assistance to marginalised or disadvantaged families so that the cost of educating their sons would be alleviated.

Since its inception in 1988 the Foundation has directly supported the education of hundreds of young men at St Edmund's College Canberra.

The One for One Appeal is an initiative of the St Edmund's College Foundation that expands on the areas of support the Foundation provides to families within the College community.

Further to the One for One Appeal, the Foundation's aim is to:

- support families who are experiencing financial barriers that may limit their ability to provide an Edmund Rice Education for their sons
- provide appropriate fee relief to ensure students have the quality education that they deserve
- offer support to families in times of crisis, so students are able continue their education at St Edmund's College without disruption.

We are asking our old boys to support one student for one year - a student who would not necessarily be at St Edmund's because of various circumstances or would not be able to continue his education at St Edmund's if it were not for the financial support of the Foundation.

·It would cost around \$9,000 to support a Junior school student in Years 4, 5 or 6.

·It would cost around \$11,000 to support in student in Years 7, 8 or 9.

·It would cost around \$13,000 to support a student in Years 10, 11 or 12.

HOW TO DONATE

Our aim is to raise enough funds to be able to support one student for one year (but how great would it be if we could raise enough funds to support more than one student!).

Donations can be made by individual old boys or by an old boy's business. Click on the link below to donate online (please include the phrase "one for one" after your name) [DONATE HERE](#)
