

Stationery Requirements

YEAR 8 to 10

Bring Your Own Device (BYOD)

St Edmund's College is a BYOD school. Students are expected to make efficient and effective use of ICT by using technology in positive and constructive ways throughout class time.

The device must meet specific requirements in order to ensure that it is compatible with the College's wireless infrastructure. There is also some required software, but this can be downloaded for free. Students are eligible to download Office 365 as part of the College's Microsoft agreement.

Find out more about our BYOD Program here: <https://sec.act.edu.au/academic/device-program/>

Items to purchase:

- 1 x A4 96 Page Exercise book for each class (including Elevated Learning & Personal Formation)
- 1 x Gridbook (5mm)
- 1 x Pencil Case
- 1 x Sharpener
- 1 x Scissors
- 1 x Glue Stick
- 1 x English Dictionary
- 1 x Set of Small Headphones
- 1 x Ruler
- 1 x Blue, Black, and Red Biro
- 1 x Eraser
- 1 x Calculator (Casio fx-82AU plus II)
- 2 x HB Pencils
- 1 x Eraser
- 1 x Coloured Pencil Pack
- 1 x Coloured Texta Pack
- 1 x 8GB or 16GB SD Card (If enrolled in Media Studies)
- 1 x Safety Glasses (AS/NZ 1337 Compliant) (If enrolled in Design and Technology)

Please note:

As your son chooses his own pathway in subsequent years at the College, he may be required to purchase additional equipment. His classroom teacher will communicate this at the start of each semester and provide a 'window' of time for these to be purchased.
