

EREA Ltd

Complaints Handling Policy

Background

EREA Ltd recognises that from time to time there may be instances where individuals or organisations disagree with the way EREA or one of its Schools has managed its operations and may wish to lodge a complaint. Such individuals may include parents/guardians, students and the general public.

EREA Ltd (“EREA”) encourages honest and constructive feedback and takes complaints and concerns that are raised seriously. EREA Ltd acknowledges that complaints present an opportunity to improve service delivery and it is committed to resolving complaints in an efficient, fair and timely manner. EREA Ltd recognises that its complaints handling procedures must be fair, transparent and equitable to the complainant as well as the person about whom the complaint is made.

To manage complaints effectively, EREA Ltd has established a Complaints Handling Program in line with both the international complaints handling standard (ISO 10002:2014 Quality management – Customer satisfaction – Guidelines for complaints handling in organizations), and the Australian/New Zealand complaints handling standard (AS/NZS 10002:2014 Guidelines for complaint management in organizations).

Our complaints program includes an online complaints management system which allows effective capture, management, and reporting of complaints. EREA Ltd is committed to the regular analysis of complaints received and the implementation of rectification action, where deficiencies are identified.

Principles

EREA Ltd is committed to handling complaints in a manner consistent with our values and The Charter for Catholic Schools in the Edmund Rice Tradition, modelling the Gospel practices of forgiveness, reconciliation, and the dignity of all, by the manner in which conflict is resolved. In responding to complaints, we adopt processes that are timely, fair, restorative, and respectful. EREA Ltd seeks to be transparent in responding to and resolving complaints.

In receiving and responding to complaints, the following guiding principles will inform and direct EREA Ltd’s actions:

1. Complaints of a School-based nature are best received and managed at the School level, with the parties involved expected to act in good faith and work together with respect and openness to achieve an outcome acceptable to all parties. Complaints that are unable to be resolved at School level must first be escalated to the relevant EREA Entity CEO or their delegate in the Executive Team.
2. Complaints are received and managed in a way that is appropriately private, respectful, culturally safe and sensitive to the diverse circumstances of children and students, as well as providing support to vulnerable children and students.
3. Complainants can expect their concern or complaint to be taken seriously, to be dealt with in a way that is culturally respectful, and to be responded to in a confidential, thorough and timely manner.
4. Schools, staff members and volunteers will be informed of all complaints that are made about them, where permitted.
5. Complainants and the person(s) against whom the complaint is made have the right to be heard and to expect that procedural fairness will be observed.
6. Confidentiality, protection of privacy, respect, access, dignity and impartiality will form the

basis of the complaints raising, reviewing and resolution process.

7. The complaints resolution process will seek to achieve the restoration of good and respectful relationships.
8. The best interests of the school community together with the interests of the complainant and the subject of the complaint will be taken into account.
9. Recordkeeping, reporting, privacy and employment law obligations will be complied with when receiving and handling complaints.

Purpose

The purpose of this Policy is to outline the principles, expectations and requirements for EREA Ltd dealing with complaints expressed by parents/guardians/students and the general public and to outline the processes involved in managing those complaints. Adherence with this policy is designed to ensure that best practice occurs for reporting, recording, investigating, finalising, reviewing and monitoring complaints and their outcomes. Minimum Standards for School Registration in all jurisdictions require all schools to have evidence of their local policy and procedure in relation to complaints management.

Scope

This policy applies to EREA Ltd and its Employees.

This policy sets out the EREA Ltd Board's expectations with respect to management of complaints related to our services or operations, the complaints handling process itself and parent/guardian/student/third party complaints relating to the Minimum Standards for school registration.

If the matter relates to allegations of child abuse, EREA Ltd follows the procedures for responding to allegations of child abuse under reporting obligations outlined in Child Safeguarding Policies and Procedures that are relevant to each EREA entity.

This policy does not relate to critical incidents, emergency management, criminal offences, the imposition of School Community Safety Orders or the conduct of the clergy or other persons involved in religious ministry. This policy is not for use by staff or volunteers in relation to grievances regarding workplace or employment conditions. (For details on management of these matters, see **EREA Related Policies, Procedures and Legislation** at end of this policy).
