

YARWUN

St Edmund's College Gifted and Talented Program

ST EDMUND'S COLLEGE
CANBERRA · EST 1954

The St Edmund's College Yarwun Program is offered to our gifted and talented students. "Yarwun" means strength in local Ngunnawal language.

The Yarwun Program is open to students who are academically able. It focuses on how we can encourage relevant assessment with a wider world focus, allowing students to engage with learning at their appropriate cognitive, emotional and physical levels.

Gifted learning at St Edmund's College focuses on working with gifted children to build resilience, grow academically and manifest their talents. Students engage in a structured program that includes a variety of complex tasks that encourage higher-order thinking, teamwork and leadership skills.

OPPORTUNITIES

Multiple opportunities may be offered to gifted students to ensure that learning occurs at a level that best fits the individual. This may include:

Various forms of acceleration and telescoping

Extension within age group classes

Extension in co-curricular activities

Mentoring & real-world immersion experiences

Connections with other gifted learners

CONTACT

As each student's learning profile is different; the family, Head of Diverse Learning and Assistant Principal, Teaching and Learning or Assistant Principal, Junior School will work together to design a program that is best tailored to meet the individual needs of the student.

Yarwun is an exciting Gifted and Talented Program and we look forward to working with you to support your child's learning.

Please contact the Assistant Principal, Teaching and Learning at the College if you are interested in providing a Gifted pathway for your son.
